7th EuCheMS Chemistry Congress

This major biennial event brings together a host of distinguished researchers for five days of scientific and technical sessions, plenary lectures, oral and poster communications, keynote speakers and roundtable discussions, as well as exceptional networking opportunities, an exhibition and a unique social programme.

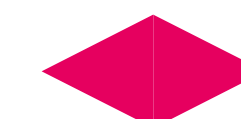

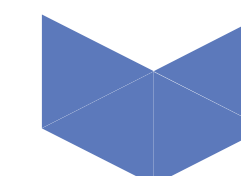

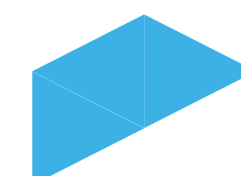

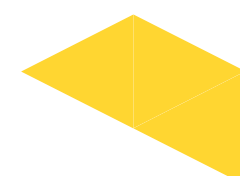

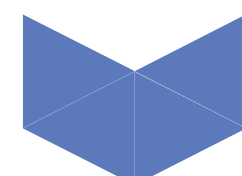

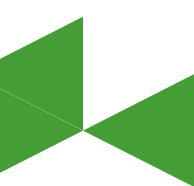

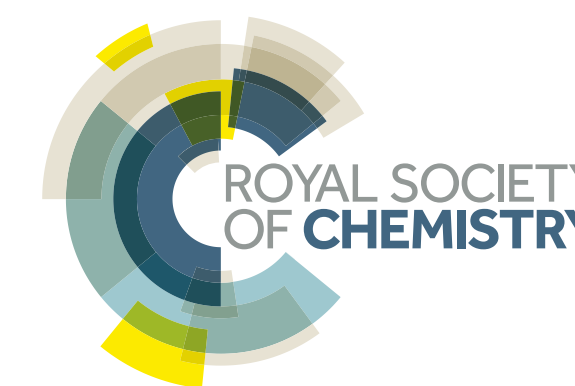

This document provides you with ready-made social media content so that you can share messaging about the congress in the final few weeks before registration closes.

Key deadlines:

- ◆ Extended poster deadline 16 July 2018
- ◆ Standard registration deadline 16 July 2018
- ◆ Late registration deadline 9 August 2018

Please use this pack and its contents to support the congress.

Thank you for your support.
